

Glynde Camp 2024

The Company lads enjoyed camp again this year, with many fun activities during the day and science theme prayer sessions lead by Gary. The highlight of the camp being a day at Thorpe Park!

The Junior section lads also really enjoyed their day at camp. They participated in various activities and games throughout the day. It was clear that plane making had been a huge success as they were flown around the field when it was time to go home at the end of the day.

Recruitment 2024

During the Summer we launched our new website <https://3rdburgesshill.boys-brigade.org.uk/> as well as starting a recruitment campaign, distributing leaflets to the local area. Please let us know if you have any friends and family members who would be interested in joining us as we would love to welcome some new members.

Autumn Term 2024

The Company and Senior lads have started back in their new uniforms – no more shirts and ties. All the sections are now in polo shirts and jumpers, just different coloured jumpers so everyone looks the same across the age groups.

The Company and Senior lads are booked to help with fundraising in November and December, which means that we can keep the termly subs low for all sections.

We have been working hard on updating the stage area for BB and this is now feels like a great space for us to use during the term. We have also invested in some new equipment; Table football, Sumo suits and Nerf guns, which we are excited to share with the lads later in the term.

On top of our usual fun, games and badge work, the Anchors and Juniors have some great activities and an outing booked in for this term; Harvest banner making, Professional drama workshop, Reptile experience and a visit to the local Food bank. The Company and Senior lads also have some great activities and an outing booked in; Detective from Sussex Police, Cooking with a Baker and a trip to mini golf.

Reminders – if you haven't already, please don't forget to bring your son's consent form back and pay this terms subs.

We have a closed parent only Facebook page, so please join the group so you can see the pictures and information about what we do, as well any sharing important announcements.
