

New Year Newsletter

It has been a busy and full-on term since starting back in September with lots going on and we have lots to share with you.

To regularly see what we get up to on a weekly basis then don't forget to join our closed group Facebook page 3rd Burgess Hill Boys' Brigade, there is a joining question to fill in when you join the group, we will also use this to give out other notices as well as emails to you.

It has been really nice to see 5 new lads join us this term.

Anchors and Juniors

We have had a very busy term with the Anchors and Juniors with lots of visits and badge work. During the term we made a Harvest banner which is now on display in the church, we had Kerry coming into to cook with the Junior lads, we had a drama workshop which focused on film and acting, I think the highlight for most of the lads was the Reptile experience (I have to be honest i did want to keep their Gecko)

We also had a visit to the local foodbank and lots of other exciting activities during the term including a fire pit and sparklers.

Recruitment 2024/25

During the Summer we launched our new recruitment campaign firstly by launching our website <https://3rdburgesshill.boys-brigade.org.uk/>

As well as distributing leaflets to the local area which we hope to do the next phase of roads soon.

The best way for us to grow is by our current members sharing their enjoyment of the group with their friends. So does your son have friends who are not part of the group then please do invite them along to join us.

As an incentive to bring new members along whoever brings the most new members along who stay until at least the summer term (ie after our awards evening) will win an amazon gift card. We will also be awarding recruitment badges as part of our awards evening to recognise those who have helped us grow this year.

company and Seniors

The Company and Senior lads have been very busy they have spent lots of time fundraising this term due to their hard work this means we can

invest in new equipment but also by this hard work this helps to keep our subs low.

The Lads have also supported the Hassocks Foodbank by helping to pack their Christmas Hampers, I am so please with all the lads as they have worked really hard.

We have had lots of fun to with a trip out, Battalion social events, visiting community members teaching them cooking and lots more.

The last thing for me to do is to wish you all a very Merry Christmas and a Happy New Year and we look forward to seeing you all in the new year.

Gary

A separate email will follow with more information about when we start back and about subs.
