

Glynde Camp 2025

Camp was lots of fun once again for the lads with a fully packed program with lots of new activities including axe throwing, archery and this year there was a new item at camp called Air Tag which is archery crossed with dodge ball this was great fun until the rain and thunder put a shorter time limit on it but hopefully it will return next year.

The lads had a full program all week and each evening we have a focus on spending time in worship and teaching about faith as this is still an important part of the Boys' Brigade.

Whole Company Big Day Out

What a day that was, it was a fully packed day with clip and climb, bowling, adventure nets and mini golf.

This was the first time in all the years that i have been at the company that we have done something like this and thanks to all the leaders who gave up the time to make it happen.

All the lads had a great day, and during each activity but mainly the clip and climb and the adventure nets how great the older lads where at encouraging the younger ones. During the adventure nets all the lads came together to have one very large game of tag / man hunt and it was so difficult to see them all as they where darting around this 4 tiered net system and the amount of sweat coming off all the lads when we had to move on was a lot but it was so nice to see every lad no matter the age coming together in this activity.

it was nice to hear from parents that some of the lads where so tired that they fell asleep on the way home (signs of a great day).

Anchors and Juniors

After our awards evening we moved into our summer program where we spent lots of our evening playing games, crafts and we even had a lovely meeting down at beadlands nature reserve.

The Anchors and Juniors really mix well over the summer and it was great to see some new faces join us during the term and we look forward to our new term.

We are busy planning for September and can't wait to hear what you all got up to.

Recruitment 2025/26

During the Summer we will be distributing leaflets to the local area which we hope to do the next phase of roads soon.

The best way for us to grow is by our current members sharing their enjoyment of the group with their friends. So does your son have friends who are not part of the group then please do invite them along to join us.

We did very well last year growing as a group which was fantastic but as your children grow and move age groups this leaves us needing to grow our Anchor section the most so please do help us grow again this year.

Company and Seniors

The Company and Senior lads have had a great term as we saw 2 new lads join the section during the summer term which is fantastic as this means games and activities can now be in teams and not just as a whole group or as individuals.

Their summer program was full of lots of different activities including cooking, swimming in the sea, bowling and games in the hall.

We have been very proud of the lads as they gained their awards during the summer and seeing some of the older lads going on Battalion Courses so they can achieve their higher badges.

Also I want to thank our two oldest lads for all they do when they come and support the leaders in the younger age groups

I hope you have all had a great summer holiday so far and we hope the rest of your summer is restful and joyful and we look forward to seeing you on either Wednesday 10th September or Friday 12th September.

Gary
