

Easter Newsletter

It has been a busy and full on term since starting back after Christmas with lots going on

With the launch of our new Whatsapp community for each age group and a central announcements part as well has given a quicker way to communicate with everyone which seems to be very positive so far.

Also don't forget to be able to regularly see what we get up to on a weekly basis please join our Facebook page 3rd Burgess Hill Boys' Brigade,

Anchors and Juniors

Our Anchors and Juniors have seen some new faces join us this term which is great, we have also been blessed with a new leader join the team. As part of the older lads leadership training some of our Seniors have been attending Anchors and Juniors to improve their leadership skills but also to help them gain higher awards in the BB

Both age groups have had a varied programme of badge work activities including cooking, crafts, challenges and lots more. Activities include science experiments, pancakes, mothers day gifts, mat work

We are currently seeking out new adventures and skills for the lads for next term

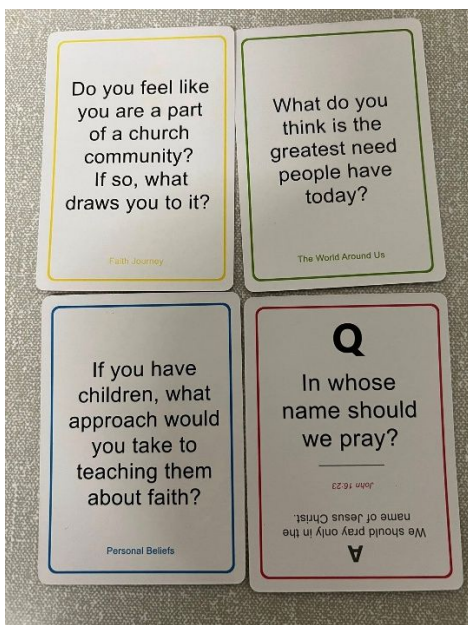

Recruitment 2025/26

Our BB statistical return is sent in over the Christmas period and it was great to see the growth within the group but we still have spaces so lets keep going, we still post on social media so please do comment about how much your son enjoys the group which people will take as a recommendation.

The best way for us to grow is by our current members sharing their enjoyment of the group with their friends. So does your son have friends who are not part of the group then please do invite them along to join us. Get them to check out our website <https://3rdburgesshill.boys-brigade.org.uk/> or even pass on this news letter so people can see what we get up to.

Company and Seniors

The Company and Senior lads have had lots of fun this term with cooking three times of pizza, Irish soda bread and pancakes, Lego build challenge, building on christian knowledge and a bowling trip plus lots more

We have also entered a Battalion ping pong challenge, Company lads attended the winter Olympic event, we also entered a National BB top team challenge competition. The Senior lads attended the Battalion Seniors weekend away

The lads have supported the church by cleaning the church, attending church parades which all builds on our Church and BB partnership.

The last thing for me to do is to wish you all a very Happy Easter.

Gary

A separate email will follow with more information about when we start back and about subs
