

Glynde Camp 2026

Camp was lots of fun once again for the lads with a fully packed program with lots of activities including Thorpe Park, swimming, Glynde gauntlet, football and volleyball competitions and water fights

The lads had a full program all week and each evening we have a focus on spending time in worship and teaching about faith as this is still an important part of the Boys' Brigade.

The Juniors got to attend camp for the day and it was packed with a potted sports session, dodge ball, a survival activity, a reptile experience and lots more.

Anchors and Juniors

After our awards evening we moved into our summer program where we spent lots of our evening playing games, fudge making, world cup themed night and a great slime making workshop.

The Anchors and Juniors really good time with some Battalion events as well including a swimming inflatables event (Juniors) and a great Battalion day with lots of activities.

We are busy planning for September and can't wait to hear what you all got up to.

Recruitment 2026/27

During the Summer we will be distributing leaflets to the local area.

The best way for us to grow is by our current members sharing their enjoyment of the group with their friends. So does your son have friends who are not part of the group then please do invite them along to join us.

We have launched a new public Facebook (3rd Burgess Hill Company, The Boys Brigade) and Instagram (3rdburgesshillcompanybb) and in the next few weeks we will be adding content to both so please do follow them and also hoping to invest and create some videos to help recruit new members also.

Company and Seniors

The Company and Senior lads have had a great summer program which was full of lots of different activities and some new experiences including Blacksmithing, mosaic making, going to the beach, chip crawl round Lewis, beach volleyball and lastly going to a lovely country house to use the swimming pool and all their other facilities including tennis courts, tree house, football pitch.

We have been very proud of the lads as they gained their awards during the summer and for our oldest two lads attending the Completion course to be able to gain the

Kings Badge award and we hope to be able to award them very soon.

Also I want to thank our three oldest lads for all they do when they come and support the leaders in the younger age groups

I hope you have all had a great summer holiday so far and we hope the rest of your summer is restful and joyful and we look forward to seeing you on either Wednesday 9th September or Friday 11th September.

Gary
